Hi Janis,

Thank you! No questions at the moment.

Regarding access, Marian should be able to set up her account and I'll share with Clary as well just in case. Please let me know if there are any issues there.

Undine,

Please find attached our Response to the 308 Information Request, a hard copy was mailed today as well.

I will upload the attached PDF onto the Microsoft – MBTA CRMF_308 site.

I believe we have uploaded all of the files and data referenced in the response.

If you could please give access to Clary Coutu at Keolis or Bill Betters at CDW, to the Microsoft site that would be great. They need to confirm that all of the data and results they have, have been correctly uploaded.

Thank you for all of your time and work on this.

If there is any additional information you need please let us know.

Thank you,

Janis
